EHE Fun Run & Walk

A Global Movement for EHE

The 10th Annual EHE Fun Run & Walk is a community-driven awareness and fundraising event supporting people affected by **epithelioid hemangioendothelioma (EHE)**. This virtual event allows participants to join from anywhere by organizing local walks, runs, and gatherings or taking a thoughtful walk on their own. Every participant helps raise critical funds and awareness for EHE research. This year, global registration opens the door to broader engagement worldwide.

EHE is ultra-rare, affecting only 1 in 1 million people. Join the charge to spread awareness, fuel research, and improve lives.
